### **DETAILED ACTION**

This Office action is in response to the amendment filed December 12, 2008 in which claims 14-17, 19 and 31 were amended.

Upon further review of the claims the allowability of the claims is withdrawn.

#### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-4, 6-12, 14-17, 19-22 and 24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 1, 19 and 31, applicant initially closes the claims by use of the transition language "consisting of". However, by use of the language "further consisting of" and "optionally" and the broad range of compounds that is set forth by use of the language, it is not clear what the scope of the invention is and the metes and bounds of the claims cannot be determined.
